About Me

As an iOS developer, I specialize in creating sleek and user-friendly mobile applications. With a strong foundation in iOS technologies, I have successfully delivered high-quality solutions throughout the development lifecycle. My expertise includes effective collaboration with cross-functional teams, adapting to evolving project needs, and staying current with industry trends. I am dedicated to crafting innovative and scalable iOS applications that enhance user experiences and contribute to project success.

Professional Experience

Pragmatycl Associate Consultant (iOS Developer) 2022 November– Present
